GROUP OF SCHOOLS, WEST BENGAL

A CHRISTIAN CATHOLIC
INSTITUTION OF C.M.I. FATHERS

PROSPECTUS

Our Inspiration

St. Kuriakose Elias Chavara

(1805-1871)

*"Education is the
inspiring agent
of Social Progress".*

In an age of social stratification and caste discrimination, St. Kuriakose Elias Chavara (1805-1871), the Heavenly Patron of K. E. Carmel Group of Schools, realized the importance of education and opened a Sanskrit School in Kerala in 1846 and admitted students of all castes and creeds, by initiating an educational revolution and a new concept of equality among all. Being inspired by this man of God, about 3000 selfless devoted priests and brothers of religious community of the Carmelites of the Mary Immaculate (C.M.I) are managing about 535 educational institutions all over India.

Vision & Mission

K. E. Carmel Group of schools in West Bengal is upholding the C.M.I vision of education. The C.M.I Educational apostolate is rooted in the dignity of human beings and aims at an education by which character is formed, strength of mind is increased, intellect is expanded and helps one to stand on one's own feet with a conviction that everyone is a precious gift of God. Our emphasis is on forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy, socially acceptable, God loving and people friendly, who will champion the cause of justice, love, truth, peace and who are ever open to further growth.

Curriculum & Admission

We follow the curriculum recommended by the Council for the Indian School Certificate Examination (C.I.S.C.E), New Delhi. All our schools are co-educational institutions. The medium of instruction is English. However, Bengali and Hindi are compulsory subjects. One of these languages has to be studied as third language from class V onwards. The academic year is from April to March.

Admissions to the April session commence from August onwards. Our selected subjects for ICSE are: English Language, English Literature, Bengali / Hindi, Mathematics, Physics, Chemistry, Biology, Computer Application, History & Civics and Geography. Admission forms are available in the respective school offices. Admission is granted on the basis of entrance test. Admission to Nursery is for one year followed by 2 years of lower kindergarten and upper KG.
